Employability - Italian (EU) citizen. UK Settled Status

Gender Pronouns – He | Him | His

Personal Statement

I have a background in the travel industry and a future as a Full Stack Developer. I love both Front and Back End. Self-starter, I dive right into the problems and find ways to solve them. I work with JS and React and have deployed multiple websites. I am learning mobile development at the moment.

Work experience

- **Business Owner.** *The Coding Lab EU-UK. Apr 2020 - Present*

From one-page websites to more complex scalable projects. MERN Stack. SEO optimization.

API data mining. jQuery. WordPress maintenance.

I use the latest tech to contribute to client's and own satisfaction.

Responsive websites – Web deployment – Blogging

- **SEO Specialist (volunteer).** *Travel Radar. Nov 2020 – Present*

20.000 visitors per quarter. Built SEO Strategy. Link building. GA and GTM. WordPress audit.

- **JavaScript Developer (freelancer).** *NumberFit. Sep 2020 - Dec 2020*
- **FIT Reservations Agent.** *Webbeds Europe Jan 2017 - Mar 2020*

Education

BA (Hons) Business Management, *Edinburgh Napier University - Class of 2018*

Dissertation: Generational use of the web 2.0 throughout the travel decision making journey

HND Business Management, *Edinburgh College – Achieved 2016*

Courses

Web Development and Coding Specialization, *University of Michigan – online (April 2020)*

React JS and JavaScript, *Codecademy (August 2020)*

„When you struggle with a problem, that's when you understand it“ – Elon Musk

Key Skills

Web Development

Node | React | Kotlin | jQuery | Vue.js | SASS & Bootstrap & Material UI

Command Line and IDEs

NPM & Yarn | Git & Bash | VSC & Android Studio & Flutter

Theoretical Knowledge

OOP | Asynchronous Programming | Coroutines & Promises | Recursion

Design

Figma wireframes and flows | Photoshop logo optimization

Project Management

Agile methodologies | Trello & Kanban & Miro

I introduced a new reservation procedure when an intern at Webbeds

SEO

Strategy planning | Technical SEO | Analytics | UX research | Performance audits

Motivation

When I used to play football, I didn't know how to kick with my left foot. To improve, I spent a whole summer kicking the ball only with that very foot. I always give my 110% when I set a goal.

Languages and Communication

Fluent: English | Italian

Beginner: Czech | Spanish | French
