Personal Statement

I have a background in the travel industry, and a future as a Full Stack Developer. I love both Front and Back End. Self-starter, I dive right into the problems and find ways to solve them. I work with JS and React and have deployed multiple websites. I am learning mobile development at the moment.

Education

Ba (Hons) Business Management, Edinburgh Napier University - **Class of 2018**

HND Hospitality Management, Edinburgh College

Courses (check LinkedIn for more accreditations)

Online. University of Michigan: Web Development and Coding Specialization (April 2020)

HIT Scotland Junior Management Bursary. Three Days course about customer service, verbal and non-verbal communication, negotiating skills and dress code practices. EHL, Lausanne, Switzerland (October 2016)

Work experience

The Coding Lab, EU-UK services 2020-Actual

I use the latest tech to contribute to client's and own satisfaction. From static basic websites to more complex scalable projects. MERN Stack. SEO optimization. API data mining

Webbeds Europe, 108-114 Dundas Street, EH3 5DQ Edinburgh UK. 2017 - 2020

Reservations agent for leisure individuals. B2B operations, managing accounts with £1M+ overall turnover: source markets Canada, Australia, Germany and Switzerland. Constantly topping departmental profit rankings, counted in the 100s of thousands.

Radisson Blu Hotel High Street, The Royal Mile, Edinburgh UK. 2014-2016

Volunteering Experience

Sep 2019 - Actual JavaScript Developer @ NumberFit, London (remote)

2017 - 2019 Trustee @ Shrub Re-Use Hub

„The Future Depends on What You Do Today“ – Gandhi

Skills

IT *(please check GitHub for more in-depth info and deployed projects)*

Kotlin | Node | React

Vue.js - Git, Figma, SASS, MongoDB. SEO and Google ranking guru

Languages and Communication

B2B Swiss/Canadian/German/Australian Account management

Proficient English and Italian. Written and Read French, Spanish and Czech

Negotiation, data analysis and bespoke services

Thoroughness

Cooking a dish at Waldorf Astoria meant consistently creating a masterpiece

I have been reconciling accounts at Webbeds

Multitasking and Organizational Skills

I introduced a new reservation procedure when an intern at Webbeds

I was chosen as office key holder throughout most of my jobs

Happy to do coffee rounds for the team!

Motivation

I consider finding a job in Prague one of my best successes as I could not understand the language
When I used to play football, I didn't know how to kick with my left foot. To improve, I spent a whole
summer kicking the ball only with that very foot. I always give my 110% when I set myself a goal

Hobbies

Traveling and learning new languages, Socializing and Cultural Awareness, acoustic Scottish and Irish folk
music, Environmental awareness including practical involvement in its preservation (Shrub charity),
Comedy and Adventure art, Bill Bryson travel books, Hiking

References and Dissertation available on request

Dissertation Title: Edinburgh goes and the generational use of the web 2.0 throughout their
decision making journey
